

RIGHT-PEOPLE RIGHT-PLACES LEARNING COMMUNITY

Join a new Learning Community with both “rookie” and “seasoned” equipping leaders. Each new Learning Community begins with three-days & two-nights at a relaxing and beautiful Beach House in Dana Point, CA. Bruce Bugbee is equipping equippers through Learning Communities.

LEARN FROM EXPERIENCE and FRESH PERSPECTIVES

With over 40 years of equipping leaders and building teams through the ministry passions and spiritual gifts of God’s people, Bruce has served large/small ministries, city/rural, multi-cultural/ethnic in all church traditions.

Published in 14 languages with over two million readers, He has changed the paradigm for gift-based passion-driven ministry.

Bruce is now creating Learning Communities for emerging leaders and new forms of equipping ministries. While the biblical teaching has not changed, the culture and new gen of emerging leaders requires fresh approaches for our leadership and equipping strategies. This will be a unique journey for those who engage in one of our new Learning Communities! Learning Communities are limited to 7-10 people for one year.

TUITION

The \$450 tuition includes three days at the Beach House, all meals, handouts and access to online resources and ongoing formal and informal discussions with like-minded leaders in your Learning Community.
